I, the EAGLE, with silent lifting mind have watched these learn and grow from small babes to young adults opening new doors upon the world. I have possessed their happiness and learned in their excitements as each day has brought new and challenging ideas into view. Yet, many times I've felt their disappointments, but together we have stood strong and learned to accept defeat and to face a new day.

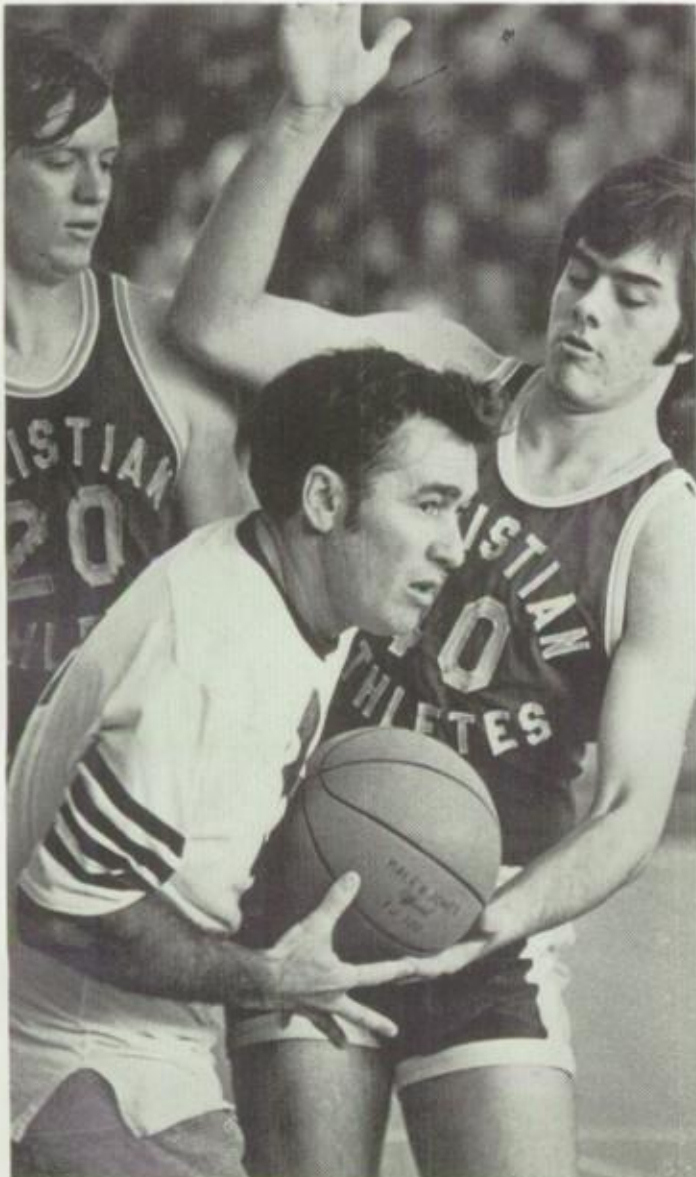

I've climbed with them and together in the high untrespassed sanctity of space, we have put out our hands and touched the face of God.

“But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.” Isaiah 40:31.

THE BEAUTY PAGEANT STORY

There's more to a beauty pageant than just looking lovely for two or three hours on stage—much more. Our beauty pageant has a story of hard work, mental anguish, happiness and sadness.

"I'm in it . . . I'm actually in the beauty pageant."

"Three pages of questions to answer—I don't know what I want to be or what I'll wear. I refuse to give my weight!"

"Smile. Remember to face the audience. You look like an elephant clomping across that stage. That's better . . . Straighten those shoulders. SMILE!"

"Martha's won fourth place. Do I still have a chance?"

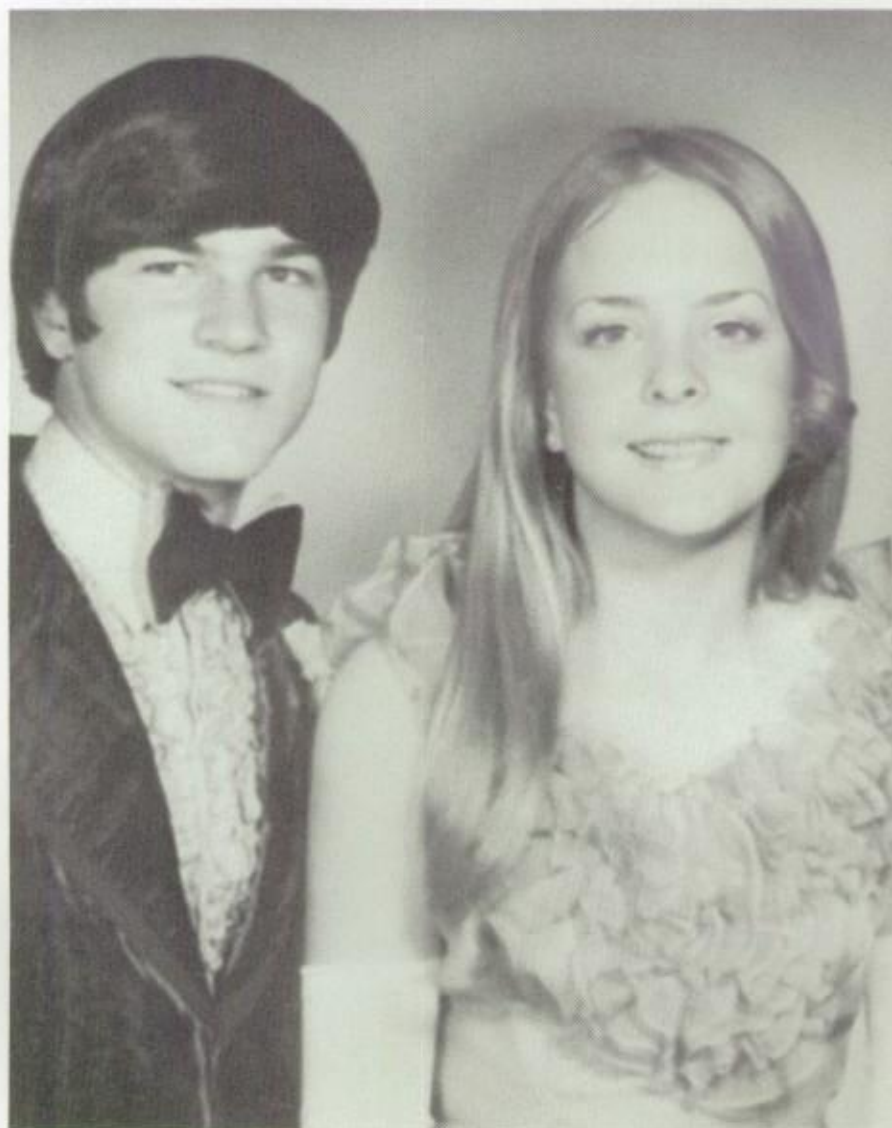

"My name?! That's MY NAME!"

Athletic ability always shone whenever the War Eagles took the field. Led by a devastating running attack, which was spearheaded by Kenny Brewer and Ricky Chunn, the Eagles rolled up 2249 yards total—2023 on the ground and 226 by the airways.

Our mainstay defense held opponents to 141 points, registering two shutouts. The offense held up its part by putting 189 points on the scoreboard and always scoring two touchdowns or more per game.

Individual efforts also reflected how well the team played. Kenny Brewer led in rushing with 544 yards; Ricky Chunn gained 514 yards total. Bubba Hubbard, who also threw for all 226 passing yards, rushed for 453 yards. In addition to this, Mark Perkins with 285 yards and Scott Flanagan with 227 yards showed real promise as running backs.

The following were recognized at the annual football awards banquet:

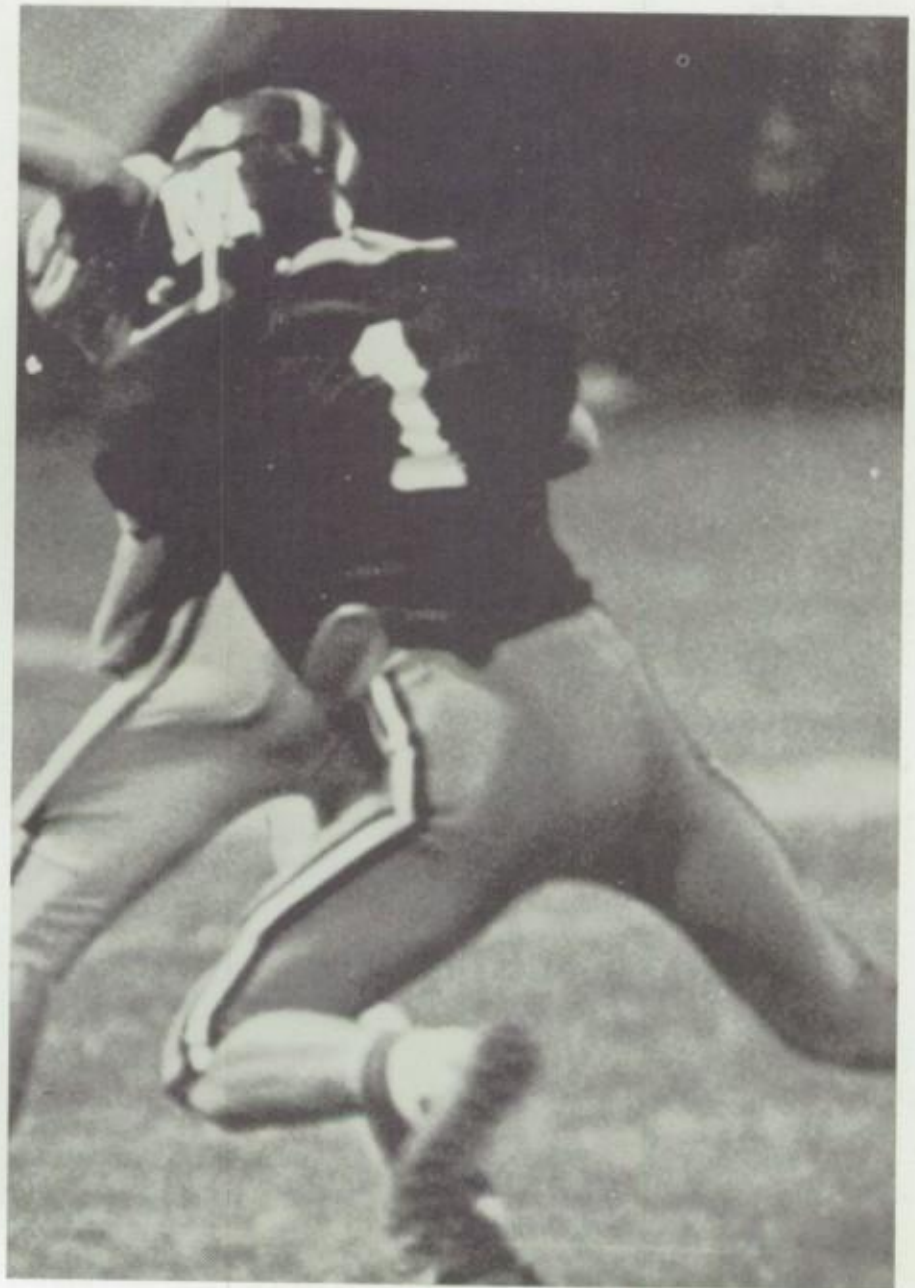

Most Valuable Player—Ricky Chunn
Most Valuable Offensive Back—Kenny Brewer
Most Valuable Offensive Lineman—Marcus Pierce
Most Valuable Defensive Back—Danny Mills

Most Valuable Defensive Lineman—Raymond Houf
Most Improved Player—Bubba Hubbard
Sportsmanship Award—Ron Duckworth

Above all, however, were the incredible accomplishments of the team as a unit and the leadership quality present on the field. Such assets led to the amazing tie with Jackson Prep, stopping Prep's unbeaten, untied streak! It was performances like these that made the 1972 War Eagles a big success.

In Appreciation

For the past six years Mrs. Anderson has worked diligently helping the annual staff at this school. The annual in 1968 was a combined effort on the part of McCluer and Manhattan. The Golden Wings Staff under the capable leadership of Mrs. Anderson was able to branch off to our own book and each year grow larger. We, the Golden Wings Staff of Council McCluer, on behalf of ourselves and all former members, wish to convey our most sincere thanks and appreciation for her guidance and leadership.

Eagle Review Staff

Co-Editors: L to R: Susan Lee and Zora Battle.

Sponsor: Mrs. Dixon

At the beginning of the 1972-1973 school year, the paper staff chose a new name for this year's paper. We selected editors and voted on the new name of the paper, THE EAGLE REVIEW.

Work began with the selling of ads and subscriptions in order to have issues for the school year.

March 31, representatives of our staff attended the Journalism Day Clinic held in West Point, Mississippi. We won four awards which were in News, Features, Sports, and Photography. Since this was the first year of our newspaper, we were proud to receive these awards.

We would like to thank the student body for its support of THE EAGLE REVIEW.

Council McCluer's Junior High Football team, coached by Johnny Flynt and Al Bible, made school history this year by becoming the first football team ever at McCluer to go undefeated in the regular season. In their regular season they racked up a total of 218 points and allowed only 61 points to the opponents in nine games. With an average of 24 points per game to the opponents' 7, they finished the season with a 9-0 record. We at McCluer are extremely proud of their performance and have for them a deep, abiding respect for the great players they are. Special thanks go to Coach Flynt and Coach Bible for making this season possible.

And do you remember these little things . . .

We were the first class to wear long dresses and carry nosegays.
We had the first Class Day in the gym.
Mr. Anderson gave the invocation.
The Seniors gave corsages to the sponsors.
The senior sponsors stood in the back of the gym and cried.
Betty Selby sang "Bless the Beasts and the Children."
The Group sang "May You Always."

Kim Haynes had a fit until she got a nosegay trimmed in blue lace.
The home ec department gave us a tea.
The band played.
Do you remember the ivy we strung on the trellis?
Susan Price's dress was really a nightgown.
We got out of school the rest of the day.

Mike Crowder outdid all the girls in his spiffy white suit.
Mr. Gray had a bad case of the nerves.
The girls paid \$4.50 for their nosegays and the boys paid 55c for their boutonnieres.
What trouble we had lining up!
Mrs. Roberts could hardly play the piano for crying about Steve.
Who'll forget the brush that was passed outside the gym to straighten out last minute wind damage.

School
Life

School Days Bring . . .

They traded in their brooms for mops!

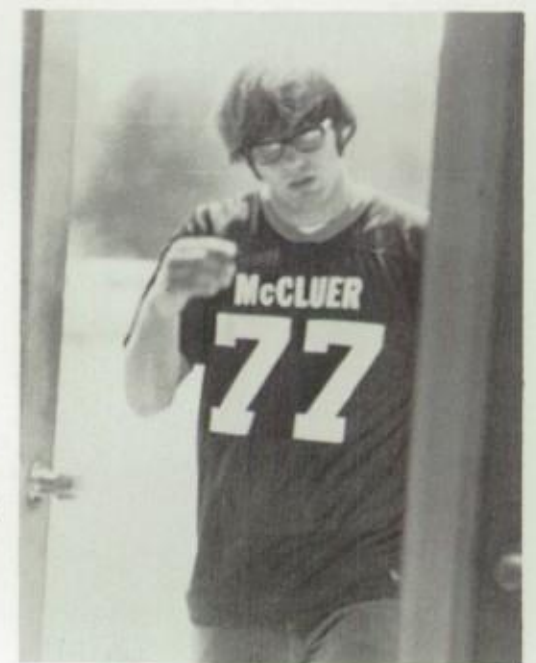

Pep rallies

My father didn't ask me to leave home, he just took me down to the highway and pointed.

Football games

Frankly, I don't see the point in making elephants jump off of water towers.

We told 'em not to play taps.

Victory Dance.

Friends, Romans, Country-
men . . .

I am the magnificent!!!

But I don't want a
haircut . . .

Three o'clock rush!!!

Who me?

Maybe they won't see me.

Sophomore dance.

This means war.

Boys concentrate on the game.

Bet you can't do this fancy footwork.

What's a basketball.

Oh, I thought this game was called Golf!

Somebody ate my cinnamon roll!

Tennis anyone?

Count me in.

Yes.

Most athletic.

The Debonairs.

My pants won't stay up!

Yeah, I'm ready to run track.

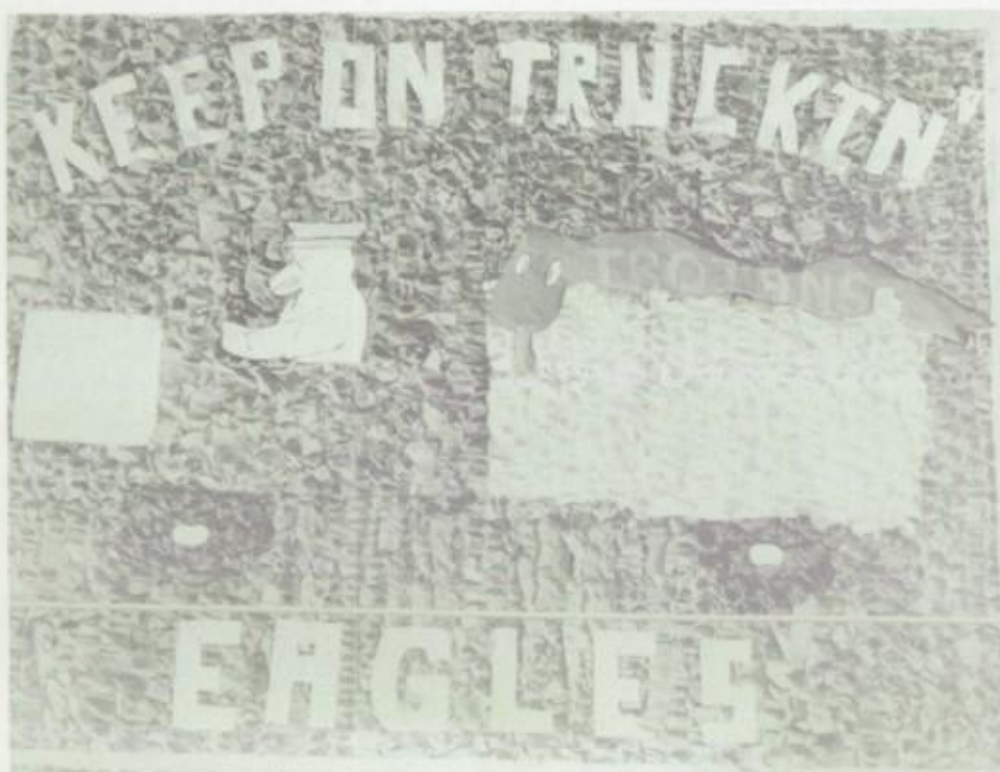

There's nothing wrong with me that a miracle won't cure.

Hi, Nina.

FOR EVERY
GENERATION

What's with this "generation gap?"
It may exist some places . . . but
not where Reddy Kilowatt's in-
volved. He's a fellow who's "in"
with every generation. He supplies
dependable electric power . . . the
cleanest power that's available . . .
and he supplies it whenever and
wherever you want it. Whether it's
a bright desk light that's needed or
floodlights for a night ball game,
Reddy's one fellow "over 30" you
can always depend on.

Another year has come to a close and many memories will soon be forgotten. We hope we have preserved some of these memories in this book. We, the Golden Wings Staff, have tried to look at McCluer as though we were on the wings of an eagle looking down and capturing the moments that we will soon forget. We have had a very successful year, and we have seen many changes come to our school. We have strived to show McCluer as it really is. The individuals and their help have made it our McCluer.

My most sincere thanks are extended to the following:

The Advertisers

Our Artists

Darlene Varner
Tim Hart
Mrs. Richardson
Ray Foy

Kim Haynes and Jan Williams

Mrs. Anderson and Mrs. Maddox who put up with all my hair-brained schemes and kept me from going too far in debt.

All the members of the 1973 Golden Wings Staff.

Good luck to everyone in the future.
